Gabriella
Speaker, Author & Activist for Kindness

THE KINDNESS MAP is an initiative by Gabriella van Rij to spread and promote the Kindness movement. Readers post stories of their kindness experiences, whether as a recipient or as an ambassador. Hearing stories of how kindness has touched and changed lives will encourage countless others to choose kindness. As Gabriella often says, “Kindness only grows more kindness!”

ASSIGNMENT:

Share your kindness story with the world on [http://gabriella.global/kindnessmovement/!](http://gabriella.global/kindnessmovement/)
Recount a time you were (a) a recipient of kindness, or (b) able to create a purposeful act of kindness for someone else.

STORY REQUIREMENTS AND STEPS:

1. Post your story as a comment on <http://gabriella.global/kindnessmovement/>. Your story should be two paragraphs long and end with a closing statement regarding how that interaction with kindness affected you. You can add a photo to your story if you like.
2. At the end of your story, include your name, grade, and city + state [Note: The Kindness Map team will take care of pinning your location on the map.]
3. To post, you will be prompted to use your Facebook, Twitter, Disqus, or G+ log-in information.
4. Hit post! All done!

Gabriella van Rij will read and reply to each story that is posted.

“Kindness only grows more
